Working experience

DHN Desarrolladora
2016 – 2021
I started working in the accounting area, to later enter purchasing management, that's where I was able to develop my management skills, both financial and human. We managed to put together a team, which led to great improvements in the profitability of the company.

AMEA 2011 – 2014
Management control, administration and accounting.

SUMMARY

After nine years working on accounting and finance at diferent companies, in 2022 I did a Coding Bootcamp at Plataforma 5, focused on Javascript,React, Redux in MERN technologies.
Always looking for a challenging opportunity to keep learning andgrowing in the technology industry.

PROFESSIONAL EXPERIENCE

APP FOR HUMAN RESOURCES
Company: Global News Group
Project description: Develop a web application that allows you, as an employee, to connect with the company's HR sector
2022
Stack of technologies involved (JavaScript language)
Backend: nodejs + express + postgreSQL
